WE HAD A TRULY DELIGHTFUL 9 DAYS WITH YOU AND YOUR CREW. YOUR CHOICES OF PLACES TO STOP TO SLEEP AND TO SEE WAS WONDERFUL. WE LOVED YOUR ATTENTION TO DETAIL. WE ASKED FOR MORE CORN CAKES ONE MORNING AND THE NEXT DAY THERE THEY WERE, WE ASKED TO SEE HISTORICAL SIGHTS AND YOU FOUND THEM FREQUENTLY. THE SERVICE FROM YOUR CREW WAS ALSO EXCEPTIONAL, KIM ~~MARY~~ COOKED MEMORABLE MEALS FOR LUNCH AND DINNER, SYLVIE & ETIENNE WERE ATTENTIVE AND DELIGHTFUL. WE FELT WELCOMED AND AT HOME ON YOUR LOVELY BOAT. WE CAN'T WAIT TO COME BACK AND SEE THE LYCENE COAST WITH YOU. THANK YOU AGAIN FOR YOUR GRACIOUSNESS & WONDERFUL HEART. M

We had a wonderful cruise, Thanks for showing us all of your secret spots. Wonderful food swimming and cruising. We appreciate that you could adjust your (and our) schedules to suit the weather and our requests. The day trip up the Dalyan river was an unexpected treat. We can't wait to return for the Lycean Coast cruise. (or the Red Sea). Thanks again for wonderful food, wine, cruising, and most of all your very gracious hospitality.

Thank you so much for a wonderful trip. Every meal was fantastic, and your crew was incredible. I can't wait to come back and see the Red Sea.

This was the perfect trip for us. We are sailors & love the sea but the Mediterranean is new to us. You made it adventurous & joyful, all at the same time.

Conan is a most gracious & comfortable yacht. The attention of food, the preparation & presentation have been outstanding. The choice of deserted coves for swimming & lunch have been wonderful.

Your crew is exceptional. We have enjoyed Sylvia, Etienne & Karin, each with their talents & lovely personalities.

Our batteries are re-charged, but though we must we are not ready to leave.

We wish you fair winds & smooth sailing.

A second to everything Jack has said above. As a person who learned to sail at 4 years old, Conan is the most comfortable and stable yacht I've sailed. The quarters are very well planned and the airflow below is way above the average.

You and your crew, Sylvia, Etienne and Karin, have been extremely attentive and I must say my soul is refreshed. The food, its presentation and the gorgeous moorings have been spectacular.

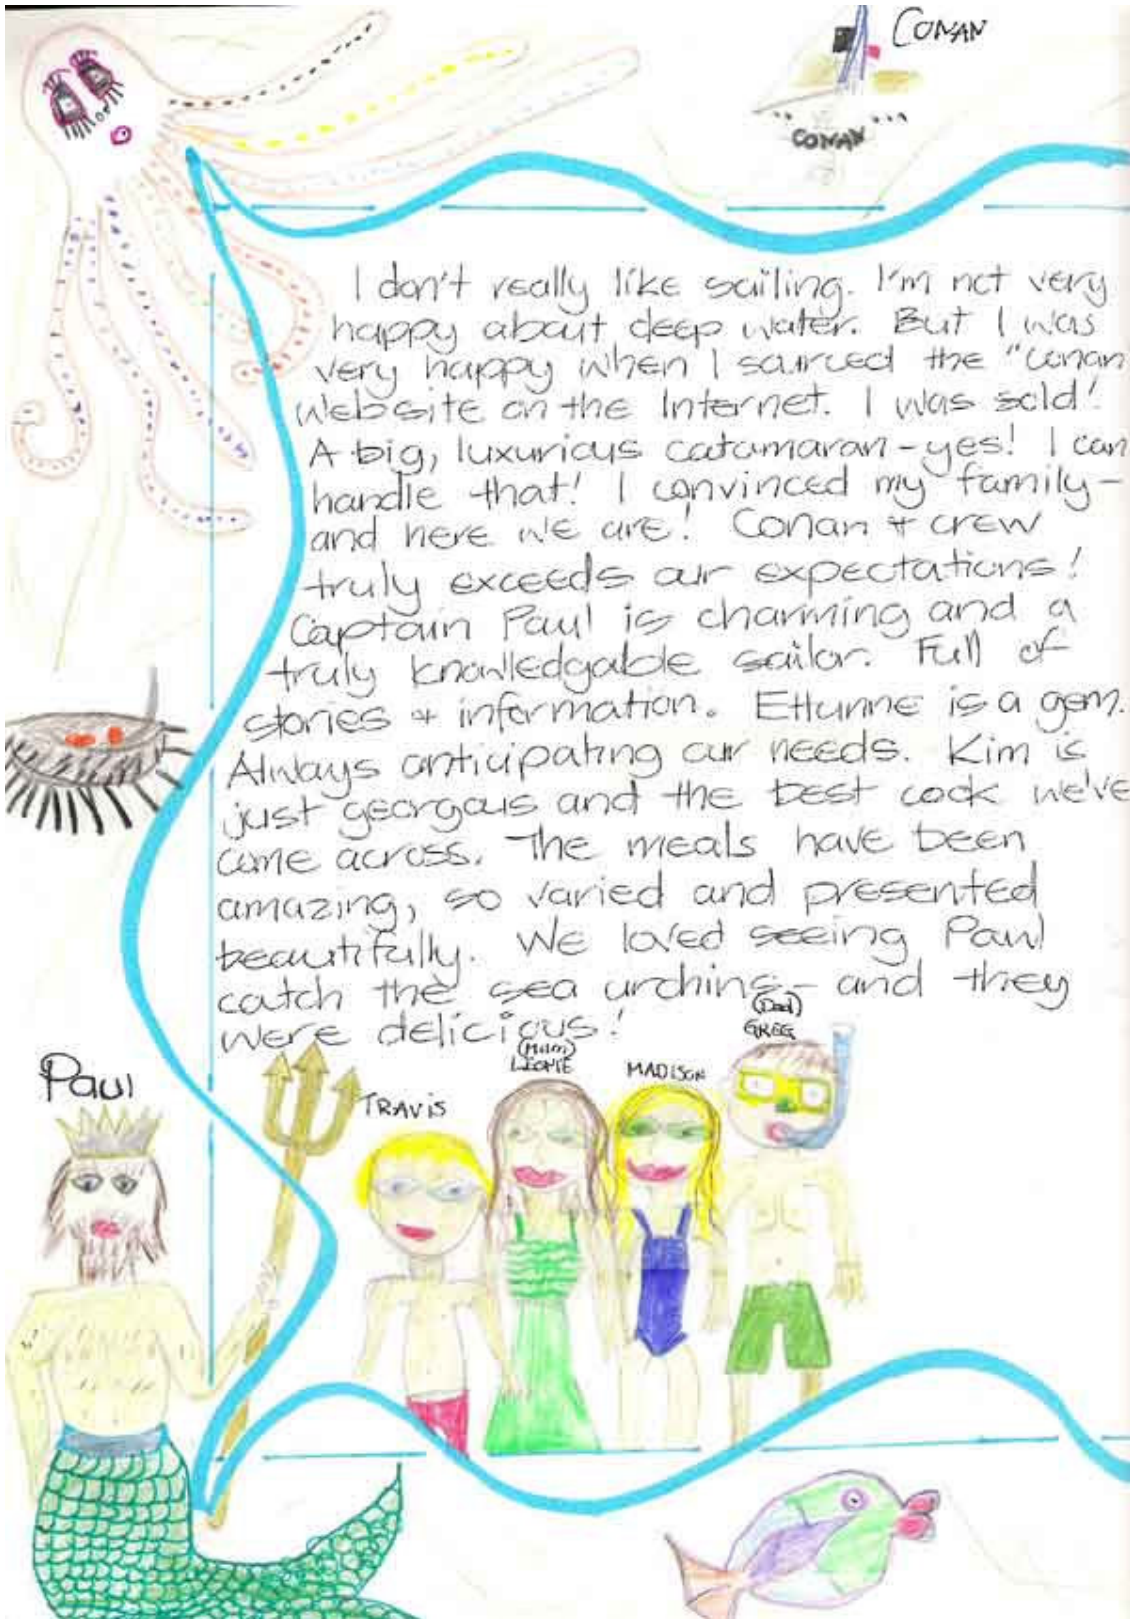

Your knowledge of the waters, unvisited coves and the beauty of the area have been delightful.

We will join you again in the future.

Paul & crew -  
This long anticipated and looked forward  
to voyage turned out to be a wonderful  
adventure with great comfort, style,  
service & great food. The crew: Eileen, Tim  
& Sylvie were great in providing service and  
hospitality. The meals were prepared beautifully  
and there was always a sense of good cheer  
and comfort. Paul the skipper - showed the  
Turkish coast at its most beautiful and  
memorable. Of course - the star of the voyage  
is Conan - A beautiful, comfortable boat.  
I'm looking forward to the next "Conan"  
adventure - All the Best -

Bob  
New York, NY. -  
P.S. - When you get to Manhattan - I'll take  
you on a voyage of discovery - the mighty  
Hudson.

I don't really like sailing. I'm not very happy about deep water. But I was very happy when I sourced the "conan" website on the Internet. I was sold! A big, luxurious catamaran - yes! I can handle that! I convinced my family - and here we are! Conan + crew truly exceeds our expectations! Captain Paul is charming and a truly knowledgeable sailor. Full of stories + information. Etienne is a gem. Always anticipating our needs. Kim is just gorgeous and the best cook we've come across. The meals have been amazing, so varied and presented beautifully. We loved seeing Paul catch the sea urchins - and they were delicious!

C'est avec un extrême plaisir que nous avons découvert la cuisine en votre atelier qui a dépassé toutes nos espérances... beauté des sites, des manières, calme et volupté... Nous la devons aussi à la gentillesse et au professionnalisme de l'équipe que nous remercions chaleureusement! Mention spéciale pour le délicieux menu! Merci à Paul de nous avoir fait partager sa passion...

A bientôt, le plus rapidement possible!  
Très bonne soirée à vous.

Premier voyage en bateau... Super!! Belles îles, très bonne  
cuisine et beaux petits poissons!

Camille ☺ 28/7/06  
Je repars vers pompelles avec 1 goût  
de moy jeu!!! Envie encore d'eau  
turquoise, de vagues à chaque fois  
différente, du vent qui caresse la peau,  
des petits plats simples mais sublimes,  
de Kim... la gentillesse et le professionnalisme  
de Sylvie (dont BABA lui fait un bisous  
et un sourire particulier) et d'Étienne.  
Et toi Capitaine!!! Merci, merci  
pour ce séjour inoubliable, pour ton  
écoute un certain soir..... pour  
l'envie de remettre cela en Égypte et  
Tu réalises vraiment mes rêves - Scapes jours

Merci pour la banane. Merci pour le voyage. Leudovic

Une semaine formidable pleine de belles  
croûtes, et eaux claires et de jolis maillages.  
Des vacances formidables pour les enfants et  
pour les grands. Le seul regret ... que cela  
touché déjà à sa fin. On s'habitue très  
vite au service et à la nourriture 5 étoiles.  
Le retour sur terre va être difficile.  
J'espère que l'on reviendra une autre  
fois pour continuer l'exploration des îles  
grecques. Merci au capitaine et à son  
équipage hors pair. Christine

Luc d'aventures ! La tête pleine de souvenirs :  
eaux limpides, cactues calmes et tranquilles,  
jeux nautiques ... Le capitaine et son équipage  
nous ont gâtés ! Une vraie merveille que'il  
faudra renouveler tant elle a plu à toute la famille,  
et puis il nous reste tant à explorer !

Merci à tous P.-y.

Merci à Michel et Martine nos cousins Paris qui  
 ce magnifique voyage n'aurait jamais eu lieu...  
 Merci de nous avoir fait découvrir :

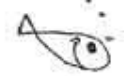

- Le CONAN si beau guidé par les vents
- Paul le capitaine courageux passionné et téméraire
- Etienne attentif et plein d'avenir
- Sylvie l'avanturier solitaire notre sirène préférée
- Kim si discrète Ceinturant - comme à la maison "c'était

très très bon!!  
 et puis la côte Turquoise, le skinautique la flaque  
 et tout le reste.

Helène Richard Louis  
 et Jules

Helène a tout dit... rien à ajouter si ce n'est  
 que mon pied "non-marin" a beaucoup apprécié la  
 stabilité du Conan et mon estomac les bons petits  
 plats de Kim. Merci aussi à Sylvie la sirène et  
 Etienne pour leur gentillesse. Bravo à Paul pour  
 cette cuisine agréable. Martine, Hong Kong

Merci Paul de nous avoir fait connaître & apprécié du  
 fait de ton Conan, à la fin ultime, une partie de ta  
 chère Turpie.

Ambiance saine, cuisine saine, sprayage de vue, une  
 routine reposante bercée tout à tout par le bruit du vent  
 dans les voiles, le chant des cigales et le bruit des moteurs.....

Ceci sous un ciel toujours bleu et une mer telle qu'on

aimerait l'avoir à Hong Kong.

È una notte buia, <sup>ma non</sup> tempestosa quando arriviamo a  
Marmaris e ci comparse da Sanki Paul (detto anche il  
Capitano Memo). 132 valigie riuscì a caricare sul g  
mentre noi raggiungevamo a bordo il cotamarano del  
"CONAN". Ed è in questo luogo che per 17 giorni fum  
costretti, dal bravo Paul, a convivere <sup>nostate</sup>, interalle  
con la complicità della <sup>cuoca</sup> sopraffina Kim, aiutata da  
abili assistenti Silye ed Etienne, da abbondanti e deliziosi  
pasti, manchi da pomeriggio rate, ed infine da sentuo  
sone a lume di candela. Il tutto disposto dalle neces  
Lezotise e la costello ed abbandonare questo luogo  
di piacere, con la speranza di poter essere prima o poi  
costretti a ritornare per una crociera sulle coste  
del Sudan. Mille grazie a tutti voi
