Dear Paul, Corinne, Kadir and Ophelie,

We have had an amazing two weeks aboard CONAN!! Your beautiful cat is so spacious and comfortable under sail. We have been treated to some out-of-the-way anchorages that had gorgeous turquoise waters and fascinating likely opportunities. The climb up to the fort on Alimnia is especially memorable for us!

Corinne's delicious cuisine is most definitely a high point! Her beautifully prepared dishes were always scrumptious and artfully presented and devoured by the hungry Forbes family!!

A very big thank you goes to Kadir and Ophelie for always making sure that every thing was perfectly in order and that we were never waiting for anything!! We all truly enjoyed your warm smiles and warm personalities!! You are both major assets to CONAN! Thank you!

Visiting the Dodecanese (and a little bit of Turkey) is most definitely made more exciting on board CONAN and we hope to see the Turkish coastline someday on board CONAN! In the meantime, we will keep fond memories of this trip close to heart!! ♡

All the best to all of you,

Paul

A smooth sailing and wonderful trip. The ports of call and the marvelous food made cruising the Turkish & Greece coasts a special event. The boat was a fabulous oasis and stable in all conditions. Your crew was always attentive and a pleasure to spend the week with. We wish you many more years of safe sailing and may the wind always be moving the Conan safely.

All our best -  
Mitch & Diane.

Dear Corinne,

Merci beaucoup pour tout le cuisine fantastique!! Pardon mon  
français mal. Which does not allow me to express how much we  
enjoyed every Savory bite!! We loved our time aboard Conan and the  
plentiful and exquisite cuisine was a huge part of the delight.  
We have done a lot of traveling which always includes many restaurants.  
However, the food you have prepared for us this week has far surpassed  
any we have ever had. You are a truly gifted chef. The variety - the  
freshness - the enormous amount of work will never be forgotten. All of  
that wrapped up in a kind, gentle and beautiful person. Corinne you are  
a GEM!

Merci beaucoup

Fondly

Dear Paul, Corinne, Kadir + Ophelie

Thank you so much for a wonderful time! We really enjoyed all the snorkeling trips and local restaurants in each town! Each of you have been so nice and accomidating. One of our favorite parts of the trip would have to be Corvines cooking!! I don't think any of the delicious restaurants could even compare to the food we ate on the boat and we probably all gained about 10 pounds! The beautiful scenery, the ancient ruins, and the wonderful crew made this excursion truly unique and amazing! We also really enjoyed Paul pulling us behind the dingy on the surf board and trying the sea urchins. All of you have made our trip to Turkey a great time we will always remember. Thanks again for everything!

Très cher Paul, très chère Corine,

Note première croisière en Turquie - Inoubliable !  
Fantastique ! Entre une mer merveilleuse et  
des sites archéologiques inattendus - Un parfait  
Capitaine plein de gentillesse et d'attentions qui  
sait, au moment propice, se transformer en parfait  
guide : que demander de plus ?

Grâce à cette première expérience nous reviendrons  
sans aucun doute !

Et que dire de la cuisine ? Seulement que nous  
retrouvons à la maison avec quelques kilos de plus  
et les papilles gustatives au mieux de leur forme !

Merci, encore merci pour tout. A bientôt !
