To Paul, Corrine, & Isabelle:

Thank you all for making a wonderful ANNIVERSARY & Family Reunion adventure. We so appreciate you showing us your "SECRET" COVES & harbors & your knowledge of the Eastern MED! Corrine: we can't tell you how much we enjoyed your cooking, we never had the same thing twice & we have never eaten so well & healthy!

Isabelle: Your cocktails were the best & we appreciate you making our anchorages always secure.

Paul: You are a great Captain! May you have perfect winds, calm seas, & sunny skies.

Merci Paul et Corinne, pour
une merveilleuse vacance -
Pas simple avec nous,
une tribu désorganisée (et
toujours affamée).

But we appreciated a lot
your patience, great disposition,
and Corinne ~~great~~ ^{delicious} cooking (❤!)
Conan is a very special boat,
a home in the sea, and for
us it has been a great
experience - We look forward
to repeat next year -

A fantastic trip through the beautiful islands of the Dodécanèse: Leros, Lipsi, Halki, Patmos, Symi... We already came last year, and this time again we had a delightful holiday, welcoming crew and delicious food. I hope we will come back next year.

Thank you Conan from the Guillet family (Sarah, Fabrice, Vincent, Elise et Iris).

De retour sur Conan après un an d'absence... Lytiac et Didier becci par les Flots... aux petits soirs de Capitaine Paul, de l'admirable mitaine bonnère et de l'équipage toujours ami: agréable... Allez Paul avec le laitou, CONAN pour l'hiver, prends en grand soin comme toujours et à bientôt sur le ciel de la Dodécanèse?

cordialement

Didier Lytiac
